

## Trucker Buddy Outstanding Teacher Award Nomination Form

Each month a teacher is chosen as the Trucker Buddy "Outstanding Teacher." This award is for teachers that have done an exceptional job of using the Trucker Buddy Program to help their students excel in the classroom as well as teaching them about our great industry.

To nominate your teacher, you will be required to fill out the information below and send in a short letter explaining why you think your teacher should win this award. The letter should only be a page or two maximum.

Both the teacher and the driver **MUST** have renewed for the current school year. An **original photograph** of the teacher should be included; the photo will be provided to the media. [Magazines reject photograph photocopies, Polaroid, or printed digital camera photos.] The photo can also include the class, but all adults must be identified.

The Outstanding Teacher also receives a Trucker Buddy Gift Package which includes some sponsor and Trucker Buddy products. All submissions and photographs become property of Trucker Buddy International and may be used in other areas for publicity purposes. Submissions will be kept on file for one year.
