

# Outstanding Driver Nomination Form

Use this form to nominate your driver as an Outstanding Driver. Drivers must be nominated by their classes to be considered. The teacher and one or more students should submit a letter to Trucker Buddy that highlights the driver's contribution to the class and why their driver should be chosen. Both the teacher and the driver should have renewed for the current school year. A **high-resolution photo** of the driver should be included; the photo will be provided to the media. (Magazines like large file digital camera photos.) The photo can also include the class, but all adults must be identified.

The Outstanding Driver also receives a Trucker Buddy Gift Package and Teacher receives gift snack pack from Frito-Lay.

All submissions and photographs become property of Trucker Buddy International and may be used in other areas for publicity purposes. Submissions will be kept on file for one year.
